

MY CIRCLE

# Stay Close to the People Who Matter Most

What if your phone doubled as a reliable personal safety tool for you and your inner circle?

My Circle is a mobile solution that helps you stay close to family, friends, and older parents—even when life pulls you in different directions. Share location and activity updates securely, get instant alerts, and easily check in.

## Key Features

Know how your Circle is doing at a glance, anytime, anywhere.

### Check-In on Activity

See how those you care about are feeling, whether they're home or away, and more.

### Instant Alerts

Get ahead of potential issues with smart, timely notifications.

### Real-Time Location Sharing

Know exactly where your loved ones are with the real-time map.

### App-Based Feature

No additional hardware or onsite installation.

**Serious security for serious connection.**
