

ADC-V515

1080p Indoor Wi-Fi Camera with Two-Way Audio

Offer Customers More Great Video Features—For Less

With the ADC-V515, your customers will enjoy 24/7 awareness and security at an affordable price. The camera's Two-Way Audio and live video capabilities let customers see, hear and speak to anyone right from the Alarm.com mobile app. With IR night vision and High Dynamic Range (HDR), customers can always see what's important—no matter the time of day or lighting conditions.

The ADC-V515 also supports the latest Alarm.com video solutions, including Onboard Recording with Smart View for continuous, uninterrupted local recording and Video Analytics for detection of people, vehicles and animals.

And, like its predecessor the ADC-V522IR, the ADC-V515 model is also easy to install—simply connect to Wi-Fi with AP or WPS mode, add to the account and mount it on a wall or place it on a shelf.

The ADC-V515 is an excellent choice for customers who want to take advantage of an expanded list of video features at a competitive price point.
